To Whom It May Concern:

In February of 2010 we hosted a conference in Arlington, Virginia. We expected, and had, attendees from, not only all over the United States, but those that would be coming from other countries, some speaking no English. As hosts, we had to arrange to have them picked up from Dulles, Reagan or the Baltimore airport, or from the train station and transported to the hotel. At the conclusion of the conference, this process had to be repeated in reverse. Fortunately, we contracted with Baron Tours, Inc., a Falls Church Company, that exceeded our expectations. With many hundred arrivals and departures, they were near flawless. Their staff was courteous, on time, and eager to accommodate. We used their buses for several tours and a pre-conference tour. Again, they did not disappoint.

When a problem arose, they were quick to come up with a solution, in order that this occasion remain a memorable one for those attending the conference. Would we use them again? Absolutely! Would we recommend them? Without hesitation!

Baron Tours, Inc. and their complete staff, including drivers, made our efforts in hosting this event much easier. The feedback we received from the guests attending was extremely positive. I feel very comfortable in saying "they made us look good".

With warmest regards and best wishes, I remain,

Sincerely,
