To Whom It May Concern:

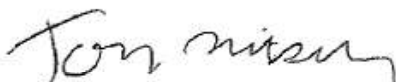

I would like to strongly recommend Baron Tours for any of your travel needs. In March, we had a school group spend a week in DC, Gettysburg, New Your City, and Philadelphia. We used Baron Tours for all of our transportation and their performance was exceptional. They saved us a lot of money by packaging the bus service along with tours. They organized everything including the tour guides, which were exceptional.

Michael's personal touch made the planning much easier for me. He was able to make recommendations at all levels of our trip. The drivers and guides were always very knowledgeable, dependable, and courteous. There was not a single issue with Baron Tours on the entire trip.

The most impressive thing about Baron Tours was their ability to help us out when we had trouble. We had arranged for a motel shuttle to the airport the morning of our departure. At 10:30 the night before leaving, the motel informed us they would not be able to transport us. One call to Mike, at 10:30 PM, and the problem was fixed. Even at that time of night, he was able to arrange transportation for early the next morning. Obviously we very very grateful we had met Mike.

Anytime we travel with a group, we will be using Baron Tours. Without any reservations, I would highly recommend them for any group travel, big or small.

Sincerely,

Tom Nitschke
