About Us

Baron Tours prides itself on professionalism, reliability, experience, and impeccable safety record. Baron Tours has functioned as a charter bus service specializing in group travel, shuttles and charter bus services throughout the United States. We offer a wide variety of ground transportation options available to groups of all sizes. Baron Tours has established its reputation for its safe, cost-effective, and reliable transportation. Baron has a proven record for quality transportation services provided to a large client base in the federal government as well as corporations. Baron offers first-class transportation solutions via a fleet of company owned and operated luxury vehicles that are properly maintained and driven by safety-conscious, professional drivers.
